About Our Guest Speakers

Paul Maron is a Professional Engineer with Strand Associates in Louisville, KY.

Paul graduated from Vanderbilt University with a degree in Civil and Environmental Engineering and has been working on water resources-related projects since then. Paul is the former President of the Louisville Branch of the American Society of Civil Engineers (ASCE) and the Water Environment Association of Kentucky and Tennessee. In 2017 he was honored as Kentucky ASCE’s Distinguished Engineering in Private Practice.

Colette Easter is a Professional Engineer at Louisville MSD working in their Development and Stormwater Services Department. She is a graduate of Washington State University and has worked in consulting and state government before coming to work at MSD. Colette is currently the ASCE Section Secretary and the 2019 Infrastructure Report Card Technical Chair.
