### **About Our Guest Presenters**

**Alex Cox** is a senior at Trinity High School who will be graduating this May. Alex will be attending Miami of Ohio University in their Architecture Program with a full scholarship from the University.

Alex has been a strong participant in the ACE Mentor Louisville, Inc. program throughout his four years at Trinity. Each year in the ACE Mentor classes he has excelled in leadership of the Architecture group and other groups like Civil/Structural, MEP and Construction Management. His enthusiasm in the field of design and construction is very inspirational to see. The design and construction industry will be getting a much-needed young man with a brilliant mind and leadership skills that will match anything we have seen in the industry.

.

**Jeff Hofmann** is the Safety Director for Hussung Mechanical. He has spent 40 years in the mechanical contracting trades. He started as an apprentice pipe-fitter, became a journeyman, and worked in the field as a foreman for 15 years. Over the past 20 years, he has served as a project manager and safety manager.

Jeff was a founding member of the ACE Mentor Program in Louisville 11 years ago, and has served on its Board of Directors since that time. Jeff plans to retire in May of 2020 to concentrate on the advancement of ACE Mentor Louisville, Inc. and its students into the industry.
